# Why Choose Aries?

## Personalized Support

To deliver best-in-class service for our clients, every publication is paired with a dedicated Account Coordinator (AC) to identify their objectives, train and configure their deployment to suit, and provide ongoing support.

## Exclusive Focus on Core Business

As a leading innovator and partner in the digital publishing market for over three decades, Aries is uniquely positioned to focus exclusively on peer review and production workflow management solutions.

## Expansive Partner Program

As a trusted collaborator, Aries forms strategic relationships with diverse industry organizations to support relevant societies and initiatives, strengthen ties to our user community, and enrich our offerings.

## Our Customers Matter

Aries' customer- and industry-driven product roadmap is shaped by active engagement with our customers and partners through our regular user group meetings and broader community events and activities.
